### — Types of Tequila —

#### **Plata** (Silver)

Clear, unmatured, uncolored. Reduced to drinking strength and bottled quickly. Some call it "the essence of tequila."

#### **Reposado** (Rested)

Rested tequila, aged for at least two months to one year in oak barrels. Has a pale golden tone and mellow character.

#### **Añejo** (Aged)

Aged one to three years. Fans of its mellow temperament consider these the true "sipping" tequilas.
